SAA Cadet Pilot Development Programme Update

The SAA Cadet Pilot Development Programme was advertised nationally on 5 October 2013 and applications closed on 11 November 2013. Applications were open to all South African Citizens.

What has Happened to Date?

South African Airways received an overwhelming response to the advertisement in excess of 1, 900 applications being received. A rigorous selection process has since commenced.

The selection process comprises of a three-phased approach:

- Phase 1 : Screening Process;
- Phase 2 : Shortlisting Process;
- Phase 3 : Awarding of Bursary;

Phase 1 of the selection process is currently underway and **Phase 2** will commence in March 2014. All unsuccessful candidates will be notified upon completion of **Phase 2**.

SAA is committed to providing regular updates via various media platforms.

For further information regarding the Cadet Pilot Development Programme, kindly contact the Cadet Pilot Management office on either (011) 978-6044 or (011) 978-5517 alternatively by e-mail at CadetPilot@flysaa.com.
